LET'S TALK...

After months of planning, the **SOLD OUT** Electrical Expo on March 21-22 was a real success with 206 booths. Six manufacturers wanted in the show but there were no booths available. We are still receiving comments on the show from exhibitors and attendees alike. The Expo committee would appreciate any feedback that members care to share with us. Just send me an e-mail at bill@electricalboard.org and I will present to the committee at our recap meeting. We are also sending out surveys to exhibitors and others seeking their comments on the show.

The number that interests everyone is the overall attendance at our show.

We had 2,435 attendees and 768 exhibitor personnel for a total of 3,203 over the 2-day event. This is slightly lower than the 2014 Expo.

There is not enough room in this FLASH to thank all the people who helped us to make the Electrical Expo 2017 run smoothly. We plan to take the next several FLASH issues to recognize some of the groups that assisted us.

CONGRATULATIONS TO... the following recipients of our awards program during the Expo. There were 104 new product entries and 206 booths to be judged. Each of the recipients received a plaque with their company name engraved on it and the opportunity to display the plaque during the 2nd day of the show.

In September 2016, when the Board of Directors approved our new by-laws, Article IX – Election of Officers and Directors now states that election of EBMI Officers and directors may be held electronically.

We have decided to use survey monkey to hold this year’s elections and NOT have a ballot in the FLASH. We feel this will provide more member participation in the election of your officers and directors than we have received in the past. Click on the link below or wait for the link to be emailed to you.
