Industry News

October 29, 2024: St. Louis MO- Agilix Solutions

a leading distributor of automation, electrical, datacom, safety and industrial products and services, is pleased to announce the promotion of Mike Wagner to Vice President of Construction. In this new role, Wagner will lead the Agilix construction sales team to expand the company's market in both its East and West regions, which encompass the Agilix branches in Missouri, Illinois, and Kansas.

Wagner, who is based in the company's St. Louis office, joined Agilix Solutions in 2021 as Director of Business Development. He brings to his new position extensive blended experience in electrical distribution and electrical contracting, coupled with lean construction knowledge and Six Sigma quality training.

"Since joining the Agilix team, Mike has exhibited strong leadership at every turn," Agilix Solutions Senior Vice President of Sales Dave Armstrong said. "He also has an uncommon commitment to delivering outstanding results, and those two traits together make him a perfect fit for this role."

In addition to overseeing the construction sales team, Wagner will be responsible for developing and directing the company's new Project Solutions Group (PSG), which will play a critical role in delivering added value to Agilix customers.

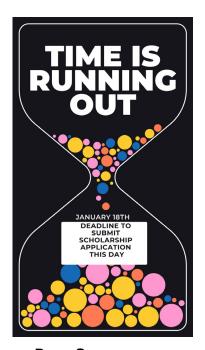

Mike Wagner—VP of Construction
Agilix

"The past three years at Agilix Solutions have been very fulfilling, and I feel very fortunate and excited to take on this new role," Wagner said. "Every experience throughout my career has led me to this moment, and I'm eager to leverage that knowledge to create new avenues to success for our company and customers in the construction market. I can't wait to get to work."

For more information on Agilix Solutions visit www.goAgilix.com.

About Agilix Solutions:

Agilix Solutions is a leading distributor of products and services to the industrial, commercial and construction markets. Founded in 2021 through the merger of French Gerleman and IAC Supply Solutions, the company's legacy spans nearly 130 years, providing products and solutions for customers through countless shifts in technology and workplace needs. Agilix has longstanding partnerships with leading manufacturers of automation, electrical, datacom, power transmission, safety, industrial supply, lighting and solar solutions, and a team of tenured specialists to serve customers' needs today and into the future. Headquartered in St. Louis, Missouri, Agilix operates 13 branches across six states.

Connect-4-Success' mission is to create a successful work-based learning program through a partnership between local businesses and area high schools to help foster more productive citizens. Two ways to help with this mission!!

HIRING STUDENTS -

Since it began, we have several companies who have been involved by hiring students from Ritenour High School. These students go to school in the morning and work in after-We thank these EBMI member companies who are participating this year: Agilix, Fletcher-Reinhardt Company and Frost Supply, as well as other companies outside the industry. Several of these companies have hired the students on after graduation. C4S provides classroom instruction, on-the-job training, key work/life skills, mentoring and employment opportunities at various companies. company is in the Ritenour School District and wants to learn more about the C4S program, please contact Dave Meglio,

2) STUDENT ADVOCATE

Not in Ritenour School District, But you want to be involved?

This program was developed in connection with the C4S program. Ritenour's Advocacy's **Program (RAP)** promotes career readiness by providing opportunities for high school students to collaborate with community business leaders. RAP is a project of Connect-4-Success (C4S) Program between EBMI and Ritenour High School. This would be for fall 2025 program, as Ritenour has certain requirements that each advocate must complete before August of each year before becoming a mentor. We can provide the list to you if interested (background check, volunteer registration form, 1 hour training session). Once you are approved, we will have RAP monthly meetings with students. In October and May, we have in -person meetings at Ritenour with students from 10:30 am - 1 p.m. and then monthly zoom or in-person meetings during school each month. Make a difference today to brighten a future tomorrow for a student!

To learn more about the program, contact Annie Regan, C4S Board member, coordinator for RAP
