**St. Charles Convention Center  
St. Charles, Missouri**

## **IT'S TIME TO RECONNECT WITH CUSTOMERS!**

**Our EXPO is ONLY held every 3 years and  
can offer YOUR COMPANY the POWER to ...**

- Re-connect with regional decision makers  
Over 2,200 attendees (not including exhibitors) in 2023!
- Generate sales opportunities and concentrate your attention on attendees who want to learn about industry topics at our seminars and products/services at your booth

***Note: 2,764 participated in our 2023 seminars!***

- Showcase new or improved products to attract customers and get the edge on competitors in this tight market  
Educating consumers on your new or existing products is key to generating sales. Does your company have a product that has the opportunity to win our Expo 2026 Award for Best New Product?
- Reach ALL segments of the industry in ONE venue  
Gain new contacts from contractors, distributors, engineers, utility, industrial, government and more in Missouri and Illinois ... all within 2 days!

**Limited space available! (See details on back!)**  
**Only 200 booths! SOLD OUT early by January 2023!**

900 S. Highway Drive • Suite 203 • Fenton, MO 63026

Return Service Requested.
